

Maybe Your Baby

Stevie Wonder

I'm feelin' down and some kind of lonely,
'Cause' my baby done left me here,
Heart is blazing like a five alarm fire
And I don't even give a care I feel like the world is turnin' on me,
My dreams turn to ashes right in front of my face,
And I'm gettin' kind of worried,
And I feel so out of place,
Maybe your baby done made some other plans, ooh
Maybe your baby done made some other plans I feel like cryin', yeh, yeh
Maybe baby, baby, baby, baby, baby, baby, baby In the mornin' when I've got heartache,
I can't call up the doctor for help,
'Cause the only person that could ever do me any good,
Is steppin' out with my best friend I feel like I'm slippin' deeper,
Slippin' deeper into myself,
And I, I can't take it,
This stuff is scarin' me to death, I Maybe your baby done made some other plans,
Kinda makin' me worried,
Maybe your baby done made some other plans Little Sally Walker, sittin' in a saucer,
Checkin' out the guys that are passing by By, by, by, by, by
Maybe your baby done made some other plans Maybe your baby done made some other plans,
Not includin' future plans,
Maybe your baby done made some other plans,
Maybe your baby done made some other plans,
Maybe your baby done made another plan
With another man
Maybe my baby done made some other plans, (your baby, your baby, stupid baby, your baby)
That you put so trust so much trust in your baby,
Maybe your baby done made some other plans,
Maybe your baby done made some other plans,
Maybe your baby done made some other plans, oh
Maybe your baby done made some other plans, ah ah ah ah
Maybe your baby done made some other plans, ah ah ah ah
Maybe your baby done made some other plans, hey yeah
Maybe your baby done made some other plans, oh yeah, oh yeah, oh yeah
Maybe your baby done made some other plans, ah ah ah ah
Maybe your baby done made some other plans, ah ah ah ah
Maybe your baby done made some other plans, ah ah ah
Ah ah ah ah ah ah ah ah ah ah ah yeah ah ah
