Falling

Ben Kweller

Wind is cold alright back in Dallas
The neon light from the building lets you know you're home
You'd go way back when if you wanted to be my friend or you'd call me
I'd understand, it's true
I don't feel like I'm falling
No, I don't feel like I'm falling
No, I don't feel like I'm falling down
Just say hello to the ground
Wait there, I'll be right back down in Times Square
It's a heart attack, all the feeling
It makes you feel so new, yeah, trees fall and so do men
Even the walls start caving in and you feel like there's no pretend for you
I don't feel like I'm falling
No, I don't feel like I'm falling
No, I don't feel like I'm falling down
Just say hello to the ground
We could talk if days weren't so fast
And mistakes just leave it so unsure
Wanna hold you like never before
'Cause we're falling and I love you more and more
Do you feel like you're falling down?
Do you feel like you're falling down?
I don't feel like I'm falling, falling, falling down
I don't feel like I'm falling
No, I don't feel like I'm falling
No, I don't feel like I'm falling down
Just say hello to the ground
I don't feel like I'm falling
No, I don't feel like I'm falling
No, I don't feel like I'm falling down
Do you feel like you're falling down?
Do you feel like you're falling down?
I don't feel like I'm falling, falling, falling
Just say hello to the ground
