Precious

Annie Lennox

I was lost until you came Tell you what was needed soon Precious little angel

Take a look, what you've doneBut, I was lost until you camePrecious little angel

Take a look at what you've done

Well, I thought my time was over

But it's only just begunPrecious little angel

You're my own sweet turtle dove

Won't you stay with us for ever

In a bundle full of loveWell, I was lost until you camePrecious little angel

Won't you spread your light on me?

I was locked up in the darkness

Now you've come to set me freeI was covered up with sadness

I was drowned in my own tears

I've been cynical and twisted

I've been bitter all these yearsWell, I was lost until you came

Well, I was lost until you cameAnd wouldn't I run a thousand miles

To be with you, to be with you

And wouldn't I run a thousand miles

To be with you, to be with youWell, I was lost until you camePrecious little angel

Tell me how can it be true

That such a gift from Heaven

Has been sent for me and youPrecious little angel

Don't you worry, don't you cry

When this bad old world has crumbled

I'll be standing at your sideWell, I was lost until you came

Well, I was lost until you came

Well, I was lost until you came
