

Last Nite on Earth

Mean Jeans

 Last nite on earth, yes it's true
 Yeah, it's the last nite on earth, yes it's trueSo go and do what you wanna do
 You can cut lose if you want to
 Cuz it's the last nite earth, do what you wanna doIt's the nite on earth, yes it's true
 Yeah, it's the last nite on earth, yes it's trueSo go and do what you wanna do
 You can lay down if you want to
 Cuz it's the last nite earth, do what you wanna do
