No More Refills

Tub Ring

Two Times
I've Been Here Before
And Not Like These Things
Affect But Sometimes
The Process Of Thought
Can Make Me Dream Up
What I Think Are The Equations
To The Logical Steps To
Purification Of MyselfThe Other Day I Stopped Into
A Coffee Shop Because
I Was Feeling Deep
And I Had Time To PonderVerbal Stimulation
By Acting So Naive
Before My Ignorance Is Called On
It's Almost Time To LeaveName Dropping Authors
Of Books That Go Unread
I Think The Caffeine Is Effecting
What's Running Through My Head, HeyOnce Again
It Seems To Never End
When All I Wanted Was A Good Time
Good Time
To Share With My FriendsPhilosophic Prattle
That Makes Me Go Insane
A Self Inflicted Situation
So I'm The One To BlameIt's What I Need
Was Just Some SleepThree Times
I've Been Here Before
And Not Like These Things
Affect But Sometimes
The Process Of Thought
Can Make Me Dream Up
What I Think Are The Equations
To The Logical Steps To
Purification Of MyselfIt's Four A.M. And I Can Hear
The Chirping Of The Birds
That Come From Outside
I Guess That That's A WarningOver Winded Poets
Who's Banter Make Me Sick
A Metaphoric Disposition

And Their Heads Are Just As ThickRandom Spoken Words
Epidemic Of Tourettes
Spoken Through The Haze
From The Smoke Of Cigarettes, HeyOnce Again
It Seems To Never End
When All I Wanted Was A Good Time
Good Time
To Share With My FriendsPhilosophic Prattle
That Makes Me Go Insane
A Self Inflicted Situation
So I'm The One To BlameIt's What I Need
Was Just Some SleepIt's What I Need
It's What I Need
Which Isn't SleepSo I Say No More RefillsOnce Again
It Seems To Never End
When All I Wanted Was A Good Time
Good Time
To Share With My FriendsHorrid Starving Artists
And Their Vision Just As Bland
Who Feel The World Is So Below Them
Cause No One Understands
