

Adios

KMFDM

It's been too many times
That I stuck out my neck for you
It's been too many times
That I spoke my mind to you
It's been too many times
That I caught all the flak from you
Apathetic crap is all I can find in you
I don't want no part in this
I don't feel the need to score
Burnt all bridges, closed my heart
I don't want to be a part, no more
Dosvidanija ciao adieu
Hasta la vista, I'm on my way
Goodbye, sayonara, auf nimmerwiedersehen
Over and out and down the drain
It's been too many times
That I raised my voice at you
It's been too many times
That I walked the line with you
It's been too many times
That I've had no choice but you
Hypocritical swine, I have had it this time
Thank you
I don't want no part in this
I don't feel the need to score
Burnt all bridges, closed my heart
I don't want to be a part, no more
Dosvidanija ciao adieu
Hasta la vista, I'm on my way
Goodbye, sayonara, auf nimmerwiedersehen
Over and out and down the drain
