

If I Were Your Woman II

Gladys Knight

If I were your woman
And you were my man
You'd have no other woman
You'd be weak as a lamb
If you had the strength
To walk out that door
My love would overrule my sense
And I'd call you back for more
If I were your woman
(If you were my woman)
If I were your woman
(If you were my woman)
And you were my man
Mmm yeah
She tears you down, darling
Says you're nothing at all
But I'll pick you up, darling
When she lets you fall
You're like a diamond
But she treats you like glass
Yet you beg her to love you
But me you don't ask
If I were your woman
(If you were my woman)
If I were your woman
If you were my woman
(If I were your woman)
If you were my woman
Here's what I'd do
I'd never no, no stop loving you
Yeah, yeah, mmm
Life is so crazy and love is unkind
Because she came first, darling
Will she hang on your mind?
You're a part of me
And you don't even know it
I'm what you need
But I'm too afraid to show it
If I were your woman
(If you were my woman)
If I were your woman
(If I were your woman)
If you were my woman
(If you were my woman)

Here's what I'd do
I'd never no, no stop loving you Oh yeah, if I were your woman
Here's what I'd do
I'd never, never, never stop loving you
If I were your woman
You're sweet loving woman
You'd need no other woman If you were my woman
If I were your woman
(If you were my woman)
Here's what I'd do
(If you were my woman)
If I were your woman
