Sentimental

Kym Marsh

If this is where its at why do I feel colder
Every hour of every day I just want you closer
If I didn't feel a thing I guess it would be easy
To turn and walk away and never see you leave me
There's nothing wrong but some things happening I'm falling
You give me one sunshine I say I like the moon
You give me a rainbow when I'm feeling black and blue
And I have cold shoulders but I'm still on for your touch
Does that make me sentimental too?
This isn't really me, I try to hide my colors
Baby turn to black and white by so many others
There's nothing wrong but some things happening I'm falling

You give me one sunshine I say I like the moon
You give me a rainbow when I'm feeling black and blue
And I have cold shoulders but I'm still on for your touch
Does that make me sentimental too?
I see your smile it's so right your too good to lose
I wont run away not this time so I guess that's true
I must be sentimental too for you
You give me one sunshine I say I like the moon
You give me a rainbow when I'm feeling black and blue
And I have cold shoulders but I'm still on for your touch
Does that make me sentimental too?
I guess that makes me sentimental too
