

Soldiers Of Love

Soul Sister Dance Revolution

This is not
This is not the feeling that you wanted
Oh why youre living on the wrong side
Come on down
Come on down to danger of redemption
Dying by the fire
To close to the wire
So dont know
We are
We are the soldiers
We are
We are the soldiers
We are
We are soldiers of love
Do you now
Do you keep saying dont you use me
Oh why is it the danger of the right side
Keep running out
Keep on running out of ammunition
Offender of the fire
The meaning of desire
So lets go
We are
We are the soldiers
We are
We are the soldiers
We are
We are the soldiers of love
We are
We are the soldiers
We are
We are the soldiers
We are
We are the soldiers of love
WE ARE THE SOLDIERS
We are
We are the soldiers
We are
We are the soldiers

We are
We are the soldiers of love
WE ARE THE SOLDIERS

We are
We are the soldiers
We are
We are the soldiers
We are
We are the soldiers of love
