Play For Today (Live In France 6/80)

The Cure

It's not a case of doing what's right
It's just the way I feel that matters
Tell me I'm wrong
I don't really careIt's not a case of share and share alike
I take what I require
I don't understand
You say it's not fairYou expect me to act like a lover
Consider my moves and deserve the reward
To hold you in my arms and wait, wait
Wait for something to happenIt's not a case of telling the truth
Some lines just fit the situation
Call me a liar
You would anyway
