

Domino (Prod. By The Movement)

David Archuleta

Heyyyy ooh
Nothing ever happens in this town
It's the same old thing when we go out
A new place to hang with the same crowd
I looked up when you came and sat down
Now I'm here with you, and I'm admiring the view
I hope you never ever never ever cut me loose And I don't know what to do because I'm falling into something
Really can't stop me I'm knocking over everything and you just caught me
From start to finish I promise I'll mend this just wanna let you know yo I'm falling like a domino
Falling falling falling just like a domino
Falling falling falling just like a domino
From start to finish I promise I'll mend this just wanna let you know yo I'm falling like a domino Always said
true love never happens
A little push a just caused this chain reaction.
I never thought you'd be my distraction I admit boy you got me crashing
Now I'm here with you and I'm admiring the view
I hope you never ever never ever cut me loose And I don't know what to do because I'm falling into something
Really can't stop me I'm knocking over everything and you just caught me
From start to finish I promise I'll mend this just wanna let you know yo I'm falling like a domino
Falling falling falling just like a domino
Falling falling falling just like a domino
From start to finish I promise I'll mend this just wanna let you know yo I'm falling like a domino When it all
comes down you gon' have my back, when the last one falls baby we got that you're saying ooh ooh hot hot
Oooh oooh hot hot Keep saying hot hot ooh ooh hot hot
When it all comes down you gon have my back when the last one falls baby we got that keep saying ooh ooh
keep saying ooh ooh keeping saying ooh ooh And I don't know what to do because I'm falling into something
Really can't stop me I'm knocking over everything and you just caught me
From start to finish I promise I'll mend this just wanna let you know yo I'm falling like a domino
Falling into something
Really can't stop me I'm knocking over everything and you just caught me
From start to finish I promise I'll mend this just wanna let you know yo I'm falling like a domino
Falling falling falling just like a domino
Falling falling falling just like a domino
From start to finish I promise I'll mend this just wanna let you know yo I'm falling like a domino
