

# Final Embrace

## Primal Fear

I came back tonight  
From the field of the fight  
They collected parts of death  
A dimension unknown  
I heard screams 'till the dawn  
What's the sense behind this mess I'm feeling so lonely  
I'm desperate in the cold  
I'm feeling defenseless  
Wait for the call, ready to fall What is this my final moment  
Is it real or fantasy  
Can't ignore my soul is burning  
Wait for the final embrace This outrage of war  
In the name of our god  
Killed emotions, every pride  
I will fight my own fight  
I will break through their lines  
Take the last chance to survive I'm waiting 'till midnight  
I'll see my final fight  
My hate is religion  
Pray to the sky, ready to die What is this my final moment  
Is it real or fantasy  
Can't ignore my souls is burning  
Wait for the final embrace
