

Mongali

Faya Tess

Mobali nalingi
Kombo naye mongali
Omwana eleki alingisi na bondela
To yebanda na ndako alukasina kosa
Naloti ndoto mabe ee solo kombima te
Lobipe mokolo lelo banda kubima te
Mongali kanga motema pe banga makambo ti
Ti na nini o ndima te mongali eena

Yeena mongali mobali nanga ya moke
Matata epusi ba shesti liki mbika
O alinga ngai na bondela ye na ndimi
Soki na lami ya mateso ya kolinga te
Komboto lesu eputa na lisope
Mongali alingi mpaka sala sopo ya mosaka
Oyo mpasi nazwii na mongali enaa
