Cry

Timi Yuro

Well I think
I'm gonnasit right down and cryIf your sweetheart sends a letter of goodbye
It's no secret you'll feel so much better if you just cry
When your waking from a bad dream don't you sometimes
sometimes think it's real?
But it's only false emotions that you feelIf your heartaches seem to hang around a little to long
And your blues, they keep getting bluer with each song
You must remember sunshine can be found behind
Behind every cloudy sky
And I think I'm gonna sit right down now and cryIf your heartaches seem to hang around a little to long
And and your blues, they keep getting bluer with each song
You must always blue sky's can be found behind a cloudy sky
And I think I have to sit right down now and cry
