Give Me More

The Adicts

I've played games
watched the weather change
Been around the world
and rode the range
I've been educated
Don't know what about
Been back in time
Seen the yanks cry out
Give me more
I've been shot down in the street
Beep to the moon never off my feet
I've been intoxicated
I've got culture shock
It's X-rated I've been to bedrock
