

Feel Inside (and Stuff Like That)

Flight Of The Conchords

There are children,
who are so unwell,
they have to live their
lives in hospitals.
They're feeling lospital,
mospital.
children getting sicker,
drinking too much bubble mixture.
they all just wanna be bubbles.
(they all just wanna be bubbles)
There must be something
we can do,
to stop these kids from
doing spews.
Feel inside
(and stuff like that),
Open up the lids
help-help-help the kids.
Feel inside
(and stuff like that),
Open up the lids
help-help-help the kids.
Kids need us,
to come together.
we can make them better,
we can get them some feta.
can raffle scooters, cars
and movie vouchers.
John, stop blowing all the
money on couches.
We need a million
and a hundred
ten and twenty-one dollars.
we need to build a trap,
so we can catch all the robbers.
we'll take their money --
we'll rob the robbers --
so we can fill a house,
fill a house full of dollars.

We'll go to peoples and
ask to borrow some money,
they'll probably all just

give us some money.
we give them back less money
and cause a confusion,
that's the solution
yeah, that's the colusion.

Feel inside
(and stuff like that),
Open up the lids
help-help-help the kids.
Feel inside (feel inside)
(and stuff like that),

Open up the lids
help-help-help the kids.
The banks got the money,
the money --
they get it from the
prime minister,
the prime minister
gets it from the queen.
the queen gets the money
from the bank --
who gets it from the
prime minister.
the craziest financial
system I've ever seen.
the kids that are sick
can't do hip-hop anymore.

their tummies,
their tummies could be very sore.

we've gotta dig for some
oil and some crystals and cold,
collect teeth for the
tooth fairy and put'em
in a bowl. (in a bowl)
in a bowl. (in a bowl)
in a bowl. (in a bowl)
in a bowl. (in a giant bowl)
in a giant bowl!

Feel inside
and stuff like that
open up the lid

help-help-help the kids.
Feel inside
