Deep In The Hole

Ac/dc

I've been enchained
She's got shackles on me
That woman to blame
For the hell and misery
Can't find my way out of here
???? down in a burnin' field
?????
?????
I'm deep in, deep in, deep in the hole
I'm deep in, deep in, deep in the hole
I'm down in, down in, down in the hole
Well I'm deep in, deep in, that woman got me deep in the hole

I'm sinking down
She's ???? down on the floor
Can't touch but walls
????
????
????
And you safe if you do what your told
You sold your soul
I'm deep in, deep in, deep in the hole
I'm deep in, deep in, deep in the hole
I'm down in, down in, down in the hole
Well I'm deep in, deep in, that woman got me deep in the hole
