Give Me a Home

Sofia Talvik

Oh, not a word
not a sigh that can't be heard
But once the dust has kissed your feet
you are married to this wayward beat
Oh, give me a home, where the buffaloes roamOh, endlessly blue
This is where I'll stay with you
With a sky so big it's overwhelming
Can you be my writer for a happy ending
Oh, give me a home, where the buffaloes roam
Oh, I will grow old
I will lose my faith I'm told
But once this sight has touched your eyes
you are married to those endless skies
Oh, give me a home, where the buffaloes roam
Let me stay here, with the stars dear
Let me stay here, with the stars dear
Let me stay here, let me stay hereOh, give me a home, where the buffaloes roam
