

# Making Real Sense of the Senses

**Billy Gilman**

Our eyes are for looking at things  
But they are also for crying  
When we are very happy or very sadOur ears are for listening  
But so are our hearts  
So are our heartsOur noses are for smelling food  
But also the wind and the grass  
And if we try very hard, butterfliesOur hands are for feeling  
But also for hugging and touching  
So gently, so gentlyOur mouths and tongues are for tasting  
But also for saying words like 'I love you'  
And 'Thank you, God, for all of these things'
