I'm In Love With Her

Sawyer Brown

I'm in love with her
She's not in love with me
I'm still holding on
To something I can't reachI'm not the one she wants
Oh, she's everything I need
I'm in love with her
She's not in love with meTime and time again
I think of her and then
Cupid's poison dart
Goes right through my heartWell, I go down to my knees
A willing victim if you please
I'm in love with her
She's not in love with meTime and time again
I think of her and then
Cupid's poison dart
Goes right through my heartI go down to my knees
A willing victim if you please
I'm in love with her
She's not in love with meI'm in love with her
She's not in love with me
