

# I'm In Love With Her

## Sawyer Brown

I'm in love with her  
She's not in love with me  
I'm still holding on  
To something I can't reachI'm not the one she wants  
Oh, she's everything I need  
I'm in love with her  
She's not in love with meTime and time again  
I think of her and then  
Cupid's poison dart  
Goes right through my heartWell, I go down to my knees  
A willing victim if you please  
I'm in love with her  
She's not in love with meTime and time again  
I think of her and then  
Cupid's poison dart  
Goes right through my heartI go down to my knees  
A willing victim if you please  
I'm in love with her  
She's not in love with meI'm in love with her  
She's not in love with me
