Daytime Drama

Billy Idol

Day by day

Hour by hour

What haunts

My nighttime

Starts my daylight

Even good friends

Have no answers

Beautiful stars You don't want a hard patch

Just a few facts

It's use and abuse

You'd write your story

As work for playtime

Time for love

My beautiful stars

Beautiful starsDon't touch her man

I want her over and over again

Don't touch her man

I want her over and over againBeautiful stars

In my daytime drama

When I ask the questions

War and answers

See you dancing

Romancing what I want

My beautiful star

Beautiful starDon't touch her man

I want her over and over again

Don't touch her man

I want her over and over and over and overBeautiful star

Of my daytime drama

Yes, it's in my hand now

You're my hope for a future

Beautiful star

Of my daytime drama

Love to win a boy

You're my hope for a futureSome are happy and some are amazed

Some are devoted

Some are saved

I was one but I was saved

Again, again

Beautiful star of a daytime drama
