

The Love We Had (Stays On My Mind)

Dru Hill

I just can't believe it girl
I can't believe that it's over
But I'm your man and I'll be alright
But still the love we had stays on my mind Lately babe, I've been thinking
How good it was when you were here
And it ain't the wine that I've been drinking
For once I feel my head is clear But early this morning
When I opened up my eyes
That old lonesome feeling took me by surprise
I guess you meant more to me than I realized The love we had stays on my mind
(Stays on my mind)
The love we had stays on my mind
[Incomprehensible] And lately girl, I've been remembering
The good times that we used to share
My thoughts of you don't have an ending
And memories of you are everywhere But what should I tell you, it's not your concern
You win some, you lose some, well, I've lost and I've learned
Sisqo's so lonely with no place to turn
[Incomprehensible], yes I do
The love we had stays on my mind Girl if you were nearer, if you had a mirror
Maybe you could count my tears
(You don't know, don't know how I cry baby)
And if you were nearer, it would all be clearer
(I want you right here, I want you right here next to me)
How I wish that you were hear How I wish that you were hear
(Oh, baby)
How I wish, oh I wish
How I wish that you were here And baby girl, I was tired
So I laid down to dream for a little while
But lately I've been so, so uninspired
Without the comfort of your smile But I'm not complaining 'cause that's how it goes
There's always some heartache in this world, I suppose
Huh, listen to me, but you can't imagine, but nobody knows
Nobody knows baby, that the love stays on my mind
(The love we had stays on my mind)
(The love we had stays on my mind) The love we had stays on my mind
The love we had stays on my mind
The love we had stays on my mind
