You Already Know

Lil Bow Wow

Yeah
Money
Bow Wow, so so
To the def
Yeah, honey shake shake
You already know
Yeah
Money, sweet 'bout now
Bow Wow, can we yell
Yeah
You already knowI'm a young player with his dough right
You already know
A young player with his flow right
You already know
I'm from the home where blow
You already know
Ain't gotta say how to play a girl
You already know
Blow man with a chunk rex
You already know
You ain't never seen nobody like this
You already know
And I run with
You already know
And have hit after hit after
You already knowBig rock shot gun girl
You already know
She wants to drop when I got one
You already know
Now all I wanna to do is see your hands
You already know
Oh, makin' everybody dance girl
You already know
I like girls with somethin' in the trunk
You already know
Bow Wow, teacher of the funk
You already know
So you can walk or you could ride
You already know

'Cause this is so so def for life and lets goI ain't gonna front yeah, I'm about the money
I ain't gonna front, I gotta keep my flow
I ain't gonna front, yea I'm all about the honeys
When they shake shake bounce, you already knowI ain't gonna front yeah, I'm about the money
I ain't gonna front, I gotta keep my flow
I ain't gonna front, yea I'm all about the honeys
When they shake shake bounce, you already know'Bout to change the face of this game huh?
You already know
Since age eight doin' thangs huh?
You already know
And Tite when see ya'll gotta watch
You already know
Seein makin' more than your pops ha?
You already know
All them big thangs we about
You already know
A little dog, but I'm thugged out
You already know
I keep it comin', never let up
You already knowWho got your girls head messed up?
You already know
Ain't no droughts, you stayed workin'
You already know
Six hundred straps with the curtain
You already know
Who's the millennium thriller?
Me
Huh, I'm a natural born killer , B
You already know
It's the new dog on the loose huh?
You already know
And tryin' to stop, made no use huh?
You already know
Odds is blood shot red heart full of burn, it's my turn
You already know
Let's goI ain't gonna front yeah, I'm all about the money
I ain't gonna front, I gotta keep my flow
I ain't gonna front, yea I'm all about the honeys
When they shake shake bounce, you already knowI ain't gonna front yeah, I'm all about the money
I ain't gonna front, I gotta keep my flow
I ain't gonna front, yea I'm all about the honeys
When they shake shake bounce, you already knowI ain't gonna front yeah, I'm all about the money
I ain't gonna front, I gotta keep my flow
I ain't gonna front, yea I'm all about the honeys
When they shake shake bounce, you already knowI ain't gonna front yeah, I'm all about the money

I ain't gonna front, I gotta keep my flow
I ain't gonna front, yea I'm all about the honeys
When they shake shake bounce, you already knowBow Wow Bow Bow Bow Bow Bow Wow Bow
Bow Wow Bow Bow Bow Bow Bow Wow Bow
Bow Wow Wow yippie yo
