

Work of Art

Maid Myriad

Breathe, Do not inhale
Drink your wine
Ode to the night
Don't make a sound let it take flight
Round and round never on time

So will you let your colors fly?
Black and white wave in the sky?
A ring will join you at the heart?
Have you found your work of art?

Truth everything real?
Unsurpassed, all thoughts are blurred
Your work of art? Give you my word
Never depart, don't fear the past
