

# You Can't Lose What You Ain't Never Had

Levon Helm

Had a sweet little girl, I lose my baby, boy, ain't that bad  
Had a sweet little girl, I lose my baby, boy, ain't that bad  
    You can't spend what you ain't got  
    You can't lose some little girl you ain't never had  
Had money in the bank, I got busted, people ain't that bad  
Had money in the bank, I got busted, people ain't that bad  
    You can't spend what you ain't got  
    You can't lose some little girl you ain't never had  
    Ain't that the truth boys  
Had money in the bank, I got busted, people ain't that bad  
Had money in the bank, I got busted, people ain't that bad  
    You can't spend what you ain't got  
    You can't lose some little girl you ain't never had  
    Had a sweet little home, it got burned down  
People ain't that bad, my own fault, people ain't that bad  
Well, you know you can't spend what you ain't got  
    You can't lose some blues you ain't never had  
    Have mercy!  
Sweet little home, got burned down, people ain't that bad  
Yeah, you know I had a sweet little home, it got burned down  
    People ain't that bad  
Whoa, you know you can't spend what you ain't got  
    You can't lose some little girl you ain't never had
