

# Walkin' (For Your Love)

## Widespread Panic

Walkin' for your love  
Walkin' for your love  
Walkin' for your love  
Walkin' for your loveI'm only going where my eyes are going  
I'm only going where my toes are pointed  
I just bought me this new pair of big shoes  
I'm only going if I can walk there with youShinin' for your love  
Shinin' for your love  
Shinin' for your loveI'm afraid to open my eyes  
I'm even afraid to look at you  
Right here, I'm gonna open my eyes  
I'm gonna move with youDisappearin' for your love  
Disappearin' for your love  
Disappearin' for your loveWe're only going in this closet here  
I'm only going if the doorknob turns  
I'm only going if the light goes on  
I'm only going if I can boogie with you
