

# Lying (John Sloman out-take)

## Uriah Heep

Don't let love make a fool of you  
Love is meant to tellin' truth  
And never any lies  
Came to me by seein' truth  
In each other's eyes  
Each other's eyes What kind of a fool  
Do you think I am?  
'cos I have no money  
Does it mean I'm half a man?  
You know that I will give you all  
Give you all that I can You're lyin', tellin' me  
What I should be  
You're lyin', tellin' everyone it's me  
You're lyin', tellin' me  
What I should be  
You're lyin', lyin', lyin', lyin' Tellin' lies can only break you in two  
You tell the biggest solo  
What do you hope to gain?  
If I were you then I would  
Try to make amends  
I'll tell all my friends
