The Forgotten

Monstraat

You were once the source
Of a pureness that can't be defined
And now you curse the day
How can you leave your faith behind?
Just look at yourself
Do you like what you see?
I want no more of you
Watch me walk away
This is the last time
You are the forgotten
You let your dreams die
You are the forgotten
Placed your ego above all
But misplaced your innocence
Just look at yourself
Do you like what you see?
I want no more of you
Watch me walk away

This is the last time
You are the forgotten
You let your dreams die
You are the forgotten
What you have given up
Will never return again
Now you're dead inside
I hope it was worth the cost
I hope it was worth the cost
I hope it was worth the cost
Now you're buried alive
This is the last time
This is the last time
You are the forgotten
You let your dreams die
You are the forgotten
