

Leave Before The Lights Come On

Arctic Monkeys

Well, this is a good idea
He wouldn't do it if it wasn't
He wouldn't do it if it wasn't oneWell, my friend fancies you
Oh, what a way to begin it all
You said they're always exciting words to hearThey woke up together
Not quite realizing how
Awkwardly stretching and yawning
It's always hard in the morningAnd I suppose that's the price you pay
Well, oh, it isn't what it was
She's thinking he looks different today
And oh, there's nothing left to guess nowThey left before the lights came on
Because they didn't want to ruin
What it was that was brewing
Before they absolutely had toAnd how can you wake up
With someone you don't love?
And not feel slightly phased by it
Oh, he had a struggleThey woke up together
Not quite realizing how
Awkwardly stretching and yawning
It's always hard in the morningAnd I suppose that's the price you pay
Well, oh, it isn't what it was
She's thinking he looks different today
And oh, there's nothing left to guess nowQuick, let's leave
Before the lights come on
'Cos then you don't have to see
'Cos then you don't have to see what you've doneQuick, let's leave
Before the lights come on
'Cos then you don't have to see
'Cos then you don't have to see what you've doneI'll walk you up, what time's the bus come?
I'll walk you up, what time's the bus come?
I'll walk you up, what time's the bus come?
