

# Glad You Came (Natman Bootleg)

## The Wanted

The sun goes down  
The stars come out  
And all that counts  
Is here and now  
My universe will never be the same  
I'm glad you came You cast a spell on me, spell on me  
You hit me like the sky fell on me, fell on me  
And I decided you look well on me, well on me  
So let's go somewhere no-one else can see, you and me Turn the lights out now  
Now I'll take you by the hand  
Hand you another drink  
Drink it if you can  
Can you spend a little time,  
Time is slipping away away from us so stay,  
Stay with me I can make,  
Make you glad you came The sun goes down  
The stars come out  
And all that counts  
Is here and now  
My universe will never be the same  
I'm glad you came  
I'm glad you came You cast a spell on me, spell on me  
You hit me like the sky fell on me, fell on me  
And I decided you look well on me, well on me  
So let's go somewhere no-one else can see, you and me Turn the lights out now  
Now I'll take you by the hand  
Hand you another drink  
Drink it if you can  
Can you spend a little time,  
Time is slipping away away from us so stay,  
Stay with me I can make,  
Make you glad you came The sun goes down  
The stars come out  
And all that counts  
Is here and now  
My universe will never be the same  
I'm glad you came  
I'm glad you came I'm glad you came  
So glad you came

I'm glad you came  
I'm glad you cameThe sun goes down  
The stars come out  
And all that counts  
Is here and now  
My universe will never be the same  
I'm glad you came  
I'm glad you came
