

Heartless

Kris Allen

In the night I hear him talk coldest story ever told
Somewhere far along this road he lost his soul
To a woman so heartless
How could you be so heartless?
Oh, how could you be so heartless? How could you be so cold as the winter wind when it breeze, yo?
Just remember that you talkin' to me though
You need to watch the way you talkin' to me, you know I mean after all the things that we been through
I mean after all the things we got into
And yo, I know there are some things that you ain't told me
And yo, I did some things, but that's the old me And now you wanna give me back and you gon' show me
So you walk around like you don't know me
You got a new friend, well, I got homies
But in the end it's still so lonely In the night I hear him talk the coldest story ever told
Somewhere far along this road he lost his soul
To a woman so heartless
How could you be so heartless?
Oh, how could you be so heartless? How could you be so Dr. Evil?
You're bringing out a side of me that I don't know
I decided we weren't gon' speak so
Why were you at 3 a.m. on the phone? Why does she be so mad at me for?
Homey, I don't know she's hot and cold
I won't stop, I won't mess my groove up
'Cause I already know how this thing go You run and tell your friends that you're leavin' me
They say that they don't see what you see in me
You wait a couple months then you gon' see
You'll never find nobody better than me 'Cause in the night I hear him talk the coldest story ever told
Somewhere far along this road he lost his soul
To a woman so heartless
How could you be so heartless?
Oh, how could you be so heartless? Talkin', talkin', talkin', talk
Baby let's just knock it off
They don't know what we've been through
They don't know 'bout me and you So I got something new to see
And you just gon' keep hatin' me
And we just gon' be enemies I know you can't believe
I could just leave it wrong
And you can't make it right
I'm gon' take off tonight into the night In the night I hear him talk the coldest story ever told
Somewhere far and far and far he lost his soul

To a woman so heartless
Oh, how could you be so heartless?
Oh, how could you be so heartless? Oh, 'cause in the night I hear him talk the coldest story ever told
Somewhere far along this road he lost his soul
To a woman so heartless
