Everywhere

Ekolu

Can you hear me callin' out your name
You know that I'm fallin' and I don't know what to say
I'll speak a little louder, I'll even shout
You know that I'm proud and I can get the words out

Ooo I

I, I-I wanna be with you everywhere
Ooo I

I, I-I wanna be with you everywhere
Be with you everywhere, be with you everywhere

Somethings happening, happening to me
My friends think I'm acting Peculiarly oh
Come one baby, you better make this start
You better make It soon before you break my heart

Ooo I

I, I-I wanna be with you everywhere
Ooo I

I, I-I wanna be with you everywhere
Be with you everywhere, be with you everywhere

[Instrumental]

Can you hear me callin' out your name
You know that I'm fallin' and I don't know what to say
I'll speak a little louder, I'll even shout
You know that I'm proud and I can get the words out

Ooo I

I, I-I wanna be with you everywhere
Ooo I

I, I-I wanna be with you everywhere

Be with you everywhere, be with you everywhere

Somethings happening, happening to me
My friends think I'm acting Peculiarly oh
Come one baby, you better make this start
You better make It soon before you break my heart

Ooo I

I, I-I wanna be with you everywhere
Ooo I

I, I-I wanna be with you everywhere
Be with you everywhere, be with you everywhere (Repeat 4x)
