

# Callin' Caroline

## Balsam Range

### VERSE

I got a lotta highway to travel  
Gotta little lady on my mind  
Iâ€™m already pullinâ€™ over and callinâ€™ Caroline

I gotta be rollinâ€™ green by morning  
Itâ€™s gonna be a lonely midnight ride  
The only thing that keeps me goinâ€™ is callinâ€™ Caroline

### CHORUS

Lord, I wish this road was over  
You know the highway never ends  
Iâ€™ll keep hugginâ€™ this old shoulder  
â€™til Iâ€™m in her arms again

If I had another way to make a living, I wouldnâ€™t ever leave that girl behind  
But for now Iâ€™ll keep a rollin,â€™ callinâ€™ Caroline

### SOLO

#### REPEAT CHORUS

Well I wish this road was over  
You know the highway never ends  
Iâ€™ll keep hugginâ€™ this old shoulder  
â€™til Iâ€™m in her arms again

If I had another way to make a living, I wouldnâ€™t ever leave that girl behind  
But for now Iâ€™ll keep a rollin,â€™ callinâ€™ Caroline

But for now Iâ€™ll keep a rollinâ€™, callinâ€™ Caroline

callinâ€™ Caroline
