Parachute

Train

I wanna take you with me to life with no more yesterdays
We can start again awake and so excited
And change the way we always push
We always pushI'll open up and be your parachute
And I'll never let you down
So open up and be my human angel

And we'll only hit the ground runningAnd when the world gets sharp and tries to cut you down to size

And makes you feel like giving in

Oh, I will stay, I will rain, I will wash the words and pain away
And I will chase away the way we push, the way we pull
You're beautifulI'll open up and be your parachute

And I'll never let you down

So open up and be my human angel

And we'll only hit the ground running, runningAnd if it feels like we might drop

It will stop, so don't look down

It wouldn't be the same without you

This life is too good to give up onI'll open up and be your parachute

And I'll never let you down

So open up and be my human angel

And we'll only hit the ground And we're gonna hit the ground running, running
