

Awkward

Craig David

[Intro:]

Awkward baby (awkward baby), awkward darling (awkward darling)
Awkward (awkward), awkward (awkward)
Awkward (awkward), awkward (awkward)
Awkward (awkward), awkward, yeah[Verse 1:]
Awkward you, awkward me
Awkward after all this time a [censored] chance to meet
On the street so crowded with hustlers and dreams
And it's even more awkward seein' you wearin' that ring
And I can't say what happened, can't say when
I never thought that I'd get to see you again
I got, plenty more [censored] for all the [censored] I've been through
And I really can't believe it, is that really you And it's killing me to see you again
And I can't help but wonder
If you'll really be with him for the long run
What have I done (huh)[Chorus:]
Must have been outta my mind
When I let you go
Think about you all of the time
Gotta let you know (mmm) Must have been outta my mind
When I let you go (oh baby)
Think about you all of the time
Gotta let you know
You know Awkward baby (awkward baby) (mmm)
Awkward darling (awkward darling) (mmm)
Awkward (awkward) (mmm)
Awkward (awkward) (yeah)[Verse 2:]
Awkward and I
Seem to feel like it's all a
Case of deja-vu but I, prefer to call it karma
'Cause usually I'm the one that's breaking apart
And after so much drama now it's me that's falling apart And girl it's killing me
Find it so hard to breathe
Thought the grass was greener
But now I'd give anything to have you alone now
Just tell me how (huh)[Chorus:] Must have been outta my mind
When I let you go (ooh)
Think about you all of the time (baby think about you all of the time)
Gotta let you know (ooh gotta let you go baby)

You know[Verse 3: Rita Ora]
I was waiting for your love, you can only wait so long
I was hoping and praying you would see what was goin' on
Now we're standing here with open hearts
And I'm chained inside my world
Know you lost me boy and you can't change that
It's obviously clear (uh uh)[Chorus:]I must have been outta my mind (You must have been outta your mind)
When I let you go (When you let me go) (mmm)
I think about you all of the time
Gotta let you know (Gotta let you know) (oh)I must have been outta my mind (You must have been) (you were
outta your mind)
When I let you go (oh girl)
I think about you all of the time
Gotta let you know (gotta let you know)
