

Show Me Your Face

Fred Hammond

Closer

Show me Your face
Need to see You clearly
No more mistakes
Look at all the time I'm losing
More than Your mercy
Lord will You take me

Closer

Let me see Your face
It's the hardest thing that I ever had to do
Is admit the truth
The reason I missed You was only me
It seemed okay at the time
But now I find

It wasn't worth it, it wasn't worth it

Show me Your face
Need to see You clearly
No more mistakes
Look at all the time I'm losing
More than Your mercy
Lord will You take me

Closer

Let me see Your face
Here's what I'm counting on with You
For You know me through and through
Remove the broken pieces
All the fragments and debris
'Til there's nothing left of me and I say
Here is a heart that's yielded totally, totally

Show me Your face
Need to see You clearly
No more mistakes
Look at all the time I'm losing
More than Your mercy
Lord will You take me

Closer

Let me see Your face
Now there's one thing left to do
Everything else must move

Gotta find a place where I can see Your, I can see Your face
Now my seek has turned to search
And I need more than a word
Put me in the place where I can see Your face
I need to see Your face, see Your face
Put me in the place where I can see Your face
See Your face, see Your face
Put me in the place where I can see Your face
See Your face, see Your face
Put me in the place where I can see Your, I can see Your face
Show me Your face
Need to see You clearly
No more mistakes
Look at all the time I'm losing
More than Your mercy
Lord will You take me
Closer
Let me see Your face
