Slovania

Laibach

Hej Slovani, nasa rec
slovanska zivo klije.These words are for those who died
These words are for those who left behind
These words are for you Poland
And these ones for my homeland[Zivi, zivi, duh slovanski,
bodi ziv na veke]For the spirit of our fathers
For the glory of our sons
For the power of the spector
For the holy allianceLet stones crack
Let the earth quake
Let tempest roar
Let stones crack
Let the earth quake
Let freedom rise[Hej Slovani, nasa rec
slovanska zivo klije
dokler nae verno srce
za nas narod bije]These words are for lovers
These words are for their heartbeats
These words are for warriors
And these ones for all communists[Zivi, zivi, duh slovanski,
bodi ziv na veke]Out of the feudal darkness
We stand alone in history
Facing east in sacrificeLet stones crack
Let the earth quake
Let tempest roar
Let stones crack
Let the earth quake
Let freedom rise
