We're Only Gonna Die (From Our Own Arrogance)

Biohazard

Early man walked away as modern man took control
Their minds weren't quite the same, to conquer was his goal
Built his great empire and slaughtered his own kind
Died a confused man, killed himself with his own mindEarly man walked away as modern man took control
Their minds weren't quite the same, to conquer was his goal
So he built his great empire and slaughtered his own kind
Then he died a confused man, killed himself with his own mindEarly man walked away as modern man took control
Their minds weren't quite the same, to conquer was his goal
Built his great empire and slaughtered his own kind
Died a confused man, killed himself with his own mindWe're only gonna die, we're only gonna die
Gonna die, gonna die
From our own arrogance
