

# Don't Park Next to Me

## Such Gold

My ears haven't stopped ringing for weeks  
So I drove around the park and I found the YMC  
But 4 cars pull in as I pull the key and I got things on me I don't want them to see  
Don't park next to me please  
Don't. Park. Next. Don't park next to me.  
Cause I got things I don't want you to see  
The skeleton in my trunk and the one in the front seat  
Its always a demon dressed up as a priest when I don't know you and you don't know me  
You don't know me.  
So maybe I'm a little bit paranoid cause I ain't here for no picnic.
