Forbidden

Black Sabbath

If I had to live again, I'd change everything
'Cause everything I do you know that I can't win
You say it isn't right but you say it isn't wrong
How the hell am I supposed to please everyone?Tell me what it is that I'm supposed to do, yeah
I ain't here for everybody but I ain't here for you
You said it isn't right but you said it isn't wrong
I wish somebody could tell me what it is that I've done wrongThe best things in life aren't given
These things ain't for you and me
Every time you shout, "Forbidden"
Makes me wonder what you seeThe best things in life aren't given
These things ain't for you and me
Every time you shout, "Forbidden"
Makes me wonder what you seeYou know it's gonna get you now
And you know it starts to bring you downTell me what it is that I'm supposed to do, yeah
I ain't here for everybody but I ain't here for you
It seems I have to fight for all the things I want
Wish somebody could tell me what it is that I've done wrongThe best things in life aren't given
These things ain't for you and me
Every time you shout, "Forbidden"
Makes me wonder what you seeThe best things in life aren't given
These things ain't for you and me
Every time you shout, "Forbidden"
Makes me wonder what you seeIt's forbiddenThe best things in life aren't given
These things ain't for you and me
Every time you shout, "Forbidden"
Makes me wonder what you seeThe best things in life aren't given
These things ain't for you and me
Every time you shout, "Forbidden"
Makes me wonder what you seeMakes me wonder what you see, yeah
