Got My Whiskey

Mel Waiters

I worked hard all week and its time to take a break
Play me some Marvin Sease or some Marvin Gaye
Call me later because I wonâ€™t be at home
Iâ€™m going out tonight because I feel like getting it on

I came out (I came out) to have a good time (yes I did)
That's all (thatâ€™s all) that's on my mind
Say I got my money (got my money) and I got my whiskey (got my whiskey)
(Because tonight) tonight I'm gonna getâ€¦ real tipsy (oh yeah)

I'm not gonna sit around all night long
I'm gonna dance until the morning comes
I'm gonna let all of my troubles go
It's 2 a.m. in the morning
And I'm ready for more

I came out (I came out) to have a good time (yes I did)
That's all (thatâ€™s all) that's on my mind
Say I got my money (got my money) and I got my whiskey (got my whiskey)
(Because tonight) tonight I'm gonna getâ€¦ real tipsy (oh yeah)
(repeat)

You see all you wanna do is go out and have a good time
Youâ€™re not going out to pick up anybody right?
All you want to do is let go of some frustrations
Cause youâ€™ve had a hard and hell of a week
Got your money, got your ride
Go ahead on and have yourself a good time
You know what I mean might as well come out and say it

I came out (I came out) to have a good time (yes I did)
That's all (thatâ€™s all) that's on my mind
Say I got my money (got my money) and I got my whiskey (got my whiskey)
(Because tonight) tonight I'm gonna getâ€¦ real tipsy (oh yeah)
(repeat)
I worked all week and itâ€™s time to take a break
Play me some Marvin Sease or some Marvin Gaye
Call me later because I wonâ€™t be at home
Iâ€™m going out tonight because I want to get it on

I came out (I came out) to have a good time (yes I did)
That's all (thatâ€™s all) that's on my mind
Say I got my money (got my money) and I got my whiskey (got my whiskey)
(Because tonight) tonight I'm gonna getâ€¦ real tipsy (oh yeah)
(repeat)
