

So Little Kindness

Huey Lewis & The News

I can't believe it after so long
How can the memories really be gone
Now, I don't deny it's over but why must you be so cold
And I can't believe it
So little kindness, yeah baby that's too bad
Saw you this evening out on the town, oh yeah
And you went outta your way just to put me down
Yes, you did child
Now why got this chip on your shoulder
When I don't even love you no more
And I can't believe it
So little kindness, baby it's sad
'Cause we can't even talk about the little things after this love we had
So little kindness, baby that's too bad
So sad, child, child, oh yeah
Don't worry baby, I'm not gonna stand in your way
Now that it's gone
Our love is strong no matter what you say
So little kindness, you're so blind
That you can't even recognize a real thing
When it was yours and mine
So little kindness after all this time
So little kindness, baby it's sad
'Cause we can't even talk about anything after what we once had
So little kindness
So little kindness
So little kindness
Now I'm looking for some kindness
I need some kindness
Can I just have some kindness, hey, hey, hey, come on
Give me some, give me some, give me
Give me, give me some, give me some kindness
