

Killhead

Hellraiser

blow up blow my head
get it flying loose and mad
ok it's my way
just to make it through the dayblackout kill my head
blow it up slowly
blackout kill my head
kill my head overheadfirst-rushing head
I don't care if I'm dead
all right piece of my mind
rushing all the way outsideblackout kill my head
blow it up slowly
blackout kill my head
kill my head overheading out of brain shellkillhead twist my head
twist it I till I drop down dead
ok - that's a way
just to put me sound'n'sanekillhead kill my head
blow it up slowly
killhead blow my head
hit me all overkillhead kill my head
blow it up slowly
killhead blow my head
hit me all over
