

# You Don't Miss Your Water ('til The Well Runs Dry)

Craig David

As I sail with you across the finest oceans  
On our way to find the key to our emotions  
Together, we will move the clouds to brighter days  
Some people question what I say, try to break up you and me  
But I know this love between us is growing stronger  
You can call me whenever from wherever  
Just remember that I'll be there  
Through all the stormy weather  
Us break up, never  
No, we'll be together  
Forever  
You don't miss your water 'til the well runs dry  
But I believe so strongly in you and I  
Can't somebody answer me the question why  
You don't miss your water 'til the well runs dry  
As I close my eyes, sit back while reminiscing  
Of when we used to fuss and fight, but end up kissing  
There may be sad and painful times along the way  
But in my heart, you'll always be everything and more to me  
For I know this love between us is growing stronger  
You can call me whenever from wherever  
Just remember that I'll be there  
Through all the stormy weather  
Us break up never  
No, we'll be together  
Forever  
You don't miss your water 'til the well runs dry  
But I believe so strongly in you and I  
Can't somebody answer me the question why  
You don't miss your water 'til the well runs dry  
For you are always on my mind  
You are always on my mind  
Girl, you know that you  
You are always  
You are always on my mind  
You are always forever  
You don't miss your water 'til the well runs dry  
But I believe so strongly in you and I  
Can't somebody answer me the question why  
You don't miss your water 'til the well runs dry  
You don't miss your water girl no  
But I believe so strongly in you and I yeah  
Can't somebody answer me the question why  
'Cause you don't miss your water 'til the well runs dry, yeah listen  
If you ever get the feeling  
You wanna play around starting cheating, remember  
You don't miss your water 'til the well runs dry
