

If I Didn't Know You

Nick Fradiani

When I was grown up
I never needed anyone
I thought I could make my way
I thought I could fake it
I didn't care if I was wrong
And now I've come to believe that
When I couldn't even conceive it
It all comes down to feeling
Couldn't make it alone,
oh

If I didn't know you
I'd probably be a wasted
I'd probably be on my own
I'd probably be faded
And if I didn't know you
I'd probably be breaking
Barely just holding on
Instead of holding you in my arms
And honey you lift me up
When all of my hope is gone
The sun out here have a way
When I can't take it
Make me want to go on,
oh

But now I've come to believe that
When I couldn't even conceive it
It all comes down to feeling
Couldn't make it alone,
Cause if I didn't know you
I'd probably be a wasted
I'd probably be on my own
Ready to cave in
And if I didn't know you
I'd probably be breaking
Barely just holding on
Instead of holding you in my arms
If all your troubles you behind.
If you've given up
Well I'll be by your side

Cause girl I'd fight for you
Lay down my life for you
Cause I owe it all to you, all to you, all to you
Cause if I didn't know you
I'd probably be a wasted
Probably be on my own
Ready to cave in
And if I didn't know you
I'd probably be breaking
Barely just holding on
Instead of holding you in my arms
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh
