Call the Police

James Morrison

Advisory - the following lyrics contain explicit language:

I'm done, shoot your gun
I think it's time to take it back to where we started from
Your pain, my pain
I'll write it down and tell you exactly how I feel againAnd all I see is a mass of confusion
Who I am and what I gotta be, yeahClosed eyes, big lines
I guess you'll tell me just to let it ride sometimes
Looks good, tastes bad
Makes me wonder where I buried all the dreams I hadAll I see is a less good version of a man I don't wanna be
All I feel is you tie me down to something that just isn't real
All I need is some truth God help me
Before the devil buries me, yeahAnd I, I can't do nothing, if I can't do something my way
Well, I must be crazy if I follow every word you say
When the shit comes down, you'll be the first to walk awayCall the police 'cause I've lost control
And I really wanna see you bleedI'm awake, why wait?
I don't need someone to tell me who to be today
I'm quite sure, unlike before
Came off the road and I forgot what I was looking forAll I see is a less good version of a man I don't wanna be
All I feel is you tie me down to something that just isn't real
All I need is some truth God help me
Before the devil buries me, yeahI can't do nothing, if I can't do something my way
Well, I must be crazy if I follow every word you say
When the shit comes down, you'll be the first to walk awayCall the police 'cause I've lost control
And I really wanna see you bleedYou can't just hack at me, you know
You might just, have to let me go
Close in, I need some room to grow
You don't, know what you're thinking of
Hiding behind you're pop sheet
So you can make someone else's dreamCall the police 'cause I've lost control
And I really wanna see you bleedI can't do nothing, if I can't do something my way
Well, I must be crazy if I follow every word you say
When the shit comes down, you'll be the first to walk awayCall the police 'cause I've lost control
And I really wanna see you bleedAll I feel is you tie me down to something that just isn't real

All I need is some truth God help me
Before the devil buries me, yeah
