

# Pass Me By (if You're Only Passing Through)

**Paul Brandt**

Well, look at what walked down the street today  
She wanted me to be one more mistake to make  
Just a bridge to cross to get to someone new  
Hey, pass me by if you're only passing through  
No, I don't want to be no stepping stone  
Among the other hearts that you've walked on

And I don't know what you think you've run into  
Hey, pass me by if you're only passing through  
Well, you sure look like the traveling kind to me  
Don't stop if this ain't where you want to be  
Lord, help me if I fall in love with you  
Hey, pass me by if you're only passing through
