

# The Story Of Us

## Taylor Swift

I used to think one day we'd tell the story of us  
How we met and the sparks flew instantly  
People would say they're the lucky ones  
I used to know my spot was next to you  
Now I'm searching the room for an empty seat  
'Cause lately I don't even know what page you're on  
Oh, a simple complication  
Miscommunications lead to fallout  
So many things that I wish you knew  
So many walls up, I can't break through  
Now I'm standing alone in a crowded room  
And we're not speaking  
And I'm dying to know, is it killing you  
Like it's killing me  
I don't know what to say since a twist of fate  
When it all broke down  
And the story of us looks a lot like a tragedy now  
Next chapter  
How'd we end up this way?  
See me nervously pulling at my clothes and trying to look busy  
And you're doing your best to avoid me  
I'm starting to think one day I'll tell the story of us  
How I was losing my mind when I saw you here  
But you held your pride like you should have held me  
Oh I'm scared to see the ending  
Why are we pretending this is nothing?  
I'd tell you I miss you, but I don't know how  
I've never heard silence quite this loud  
Now I'm standing alone in a crowded room  
And we're not speaking  
And I'm dying to know, is it killing you  
Like it's killing me  
I don't know what to say since a twist of fate  
When it all broke down  
And the story of us looks a lot like a tragedy now  
This is looking like a contest  
Of who can act like they care less  
But I liked it better when you were on my side  
The battle's in your hands now

But I would lay my armor down  
If you'd say you'd rather love than fight  
So many things that you wish I knew  
But the story of us might be ending soon  
Now I'm standing alone in a crowded room  
And we're not speaking  
And I'm dying to know, is it killing you  
Like it's killing me  
I don't know what to say since a twist of fate  
When it all broke down  
And the story of us looks a lot like a tragedy now  
Now, now  
And we're not speaking  
And I'm dying to know, is it killing you  
Like it's killing me?  
And I don't know what to say since a twist of fate  
'Cause we're going down  
And the story of us looks a lot like a tragedy now  
The end
