Simple Spirit

Stellar Road

simple spirit gone and lost his way
rothko, pollack, hold hands, jump off buildings
theory, broken, people, they sing their shame
iâ€™ve lost feeling, future disaree

see the way
see the way
avoid the parade
see the rising, rising, rising spirit
rising, rising, rising, yeah yeah

melting into fire, fear of death
standing, third world, barren, thereâ€™s nothing left
culture, poison, people, power trip
simple spirit gone and lost his grip

see the way
see the...
rising, rising, rising spirit

simple, so very simple
simple, so very simple
so ride the wave of your life

motherâ€™s calling children
donâ€™t waste your days
fatherâ€™s crying, heâ€™s broken, please be ok
symptoms, fever, constant, night and day
simple spirit gone and, yeah yeah
